I have received all stripes required for Belt Testing.

I will be in the proper uniform for Belt Testing.

I am mentally and physically prepared to demonstrate my forms, techniques, creeds, basics at a level worthy of promotion to the next belt.

The Black Stripe

I WILL get my Black Belt. I want to wear the Black Stripe on my belt to show my commitment to black and to help inspire other students to do the same.

I WILL attend at least two classes each week for the next year. If, for some reason such as illness or vacation, I miss classes, I will make them up as quickly as possible.

I WILL, on and off the mat, demonstrate Black Belt Excellence.

Enrollment Agreement for Students making the Commitment to Black Belt

I understand that I can take classes on a month-to-month or quarter-to-quarter basis for as long as I wish. Taking the Black Stripe, however, indicates that I have made a commitment to continuing the journey and earning promotion to Black Belt. I understand that this is a commitment to attend, on average, two classes each week for 12 months after this test and to make up missed classes as quickly as possible.
I understand that during this period, tuition is due regardless of whether or not I attend class.
