Enrollment Agreement for Students making the Commitment to Black Belt

I understand that my child can take classes on a month-to-month or quarter-to-quarter basis for as long as we wish. Taking the Black Stripe, however, indicates that we have made a commitment to continuing the journey and earning promotion to Black Belt. We understand that this is a commitment to attend an average of two classes each week for 12 months after this test and to make up missed classes as quickly as possible. This is a commitment by my child to continue, and by me/us to support him/her on the journey. **I understand that during this period, tuition is due regardless of whether or not I attend class.**
